## **Round 1: WALKER BOTTLE**

- One person per team needs to come and flip the bottle. If the bottle only stands, then move the bottle to the opposite side.
- Same as the opponent team.

Rule: Use only one hand.

## **Round 2: BUZZLE UNIVERSE**

- Complete the puzzle by arranging and unlocking all the pieces to reach the final solution.
- Each player (solo player) starts with the puzzle unsolved (pieces scattered, problem incomplete, or challenge locked).
- A puzzle type can be number-based, word-based, logic-based, physical, or any images.
- A move can involve placing a piece or making a guess. Only legal moves are allowed.

## **Round 3: MEGA MASH**

- **The problem statements and components will be provided for each team.**
- **Teams should analyse the statement and submit a solution within the given time.**
- **For only 5 minutes, internet usage for your reference will be permitted.**

**Team discussion is allowed.**
